

9 PIN STARLIGHT

SATURDAYS AT 10 P.M. \$15.00 PER PERSON

Bowlers Pot: Value equals one dollar(\$1.00) for each paid bowler

Tickets are received at check-in. Tickets are drawn each game until pot is won. You must throw a natural strike to win the pot. The ticket holder must take the shot; the shot will be taken on the bowlers current lane.

Spectator Pot: Tickets are sold for the 1st and 2nd games only. Cost \$1.00 for 3 tickets

Two tickets will be drawn each game. Anyone may purchase tickets, but the shot must be taken by a starlight participant. A lane will be designated by the starlight caller. A natural strike will win the entire pot and a 9 count will win half. If half of the pot is won on the first shot then it will take a natural strike only to win the remaining pot. This is an accumulating pot so if the shot is not broke then it will carry over to the next week.

Super Pot: Tickets are sold during the 3rd game only; Cost \$1.00 for 3 tickets

3 tickets will be drawn for this pot. Anyone may purchase tickets but a starlight participant must take the shot. The shot will be taken on a lane(s) designated by the starlight caller. You must throw a natural strike to win each pot. The starlight caller will go over each shot's options. This is a progression pot if the pot(s) is (are) not broken they will carry over the next week. If any pot is broken then the remaining pots will stay the same for the next week.

No Head Pin Strike Pot: Tickets are sold all night; Cost \$1.00 for 3 tickets

Two tickets will be drawn for this pot. Anyone may purchase tickets but the shot must be taken by a starlight participant, the starlight caller will designate a lane for the shot to be taken on. In order to receive the pot the bowler must throw a strike with a rack consisting of a full rack of pins minus the head pin. This is an accumulating pot so if the pot is not broke it will be carried over to the next week.

Scores: Each Has A Chance Of Winning The Following
